

# What do we need our brains for when we get older?

*Dr Helen Creasey*  
**Panel Session**  
**Forum**

26th August, 2011

**3.00pm to 4.15pm**

**Sydney Mechanics'  
School of Arts**

**Level 1, 280 Pitt Street, Sydney**

**Followed by:**

**AAG NSW Annual General Meeting**

**4.15 pm**

Older brain disease is much talked about and extensively researched. But if the brain starts to show signs of memory loss or slowness, is this normal and does it mean life is over?

Come and participate in our open forum.

Please join us for light refreshments after the AAG NSW AGM
