## Morning

20km south of Perth is the port city of Fremantle, voted by Lonely Planet as one of the top 10 cities to visit in the world. Spend your morning making your way through the eclectic mix of independent boutiques and art galleries, as well as the famed Fremantle Markets, which are filled with gourmet food stalls, fresh local produce and creative local artisan stalls.

## Afternoon

For lunch it is worth visiting Fremantle's famous Cappuccino Strip where you will find a number of cafés and restaurants offering Al Fresco dining. Post lunch why not head over to the old Fremantle Prison, previously rated by Trip Advisor as one of Australia's top ten attractions. Here you can embark on a variety of entertaining, history-rich tours.

## Evening

Fremantle's Fishing Boat Harbour precinct is a great spot to visit at the end of the day to watch the sun go down. Home to Fremantle's recreational and commercial fishing fleet, it is surrounded by boardwalks, cafés, restaurants and the popular local brewery, Little Creatures. It is the perfect place to enjoy a casual fish and chips or a fresh seafood meal.
