

Delegate Itinerary - A day in the Swan Valley

Perth

Western Australia

Morning

25 minutes north east of the CBD is Perth's closest wine region, the Swan Valley. To get to the Swan Valley you can drive yourself or book a tour with a local operator who will pick you up from your accommodation and take you around to a selection of boutique providers in the region. Begin your morning stopping off at Yahava for a freshly made coffee or visit the Chocolate Company and take part in a chocolate making class.

Early Afternoon

Your choices for lunch are endless with a number of local wineries, breweries, restaurants and cafés offering lunch. At Sandalford Estate you can enjoy a delicious 3-course lunch followed by a wine tasting at the cellar door. You might even want to take part in a wine blending course or browse their gift shop to take away a souvenir.
